FORREST WINE INDUSTRY SURVEY

Have your say

Please number (from 1 to 4) the <u>four</u> most important issues to your business. Provide any comment where required.

☐ Maintaining the Wine Equalisation Tax – rather than moving to a volumetric tax

_____

_____

☐ Tourism – marketing of our local region including wineries

_____

_____

☐ Infrastructure – building better local roads, signage and other public utilities

_____

_____

☐ Global Financial Crisis – recovering from the effects of the GFC

_____

_____

☐ Wine Glut – overcoming oversupply within the market

_____

_____

☐ Climate Change – dealing with the effects of climate variability and associated legislation and regulation

_____

_____

☐ Trade – assistance in opening up new international opportunities for local winemakers

_____

_____

☐ Workplace relations – introduction of the new Federal Award system

_____

_____

Please list any other issues or make any other comments affecting your business or the wine industry generally:
