

# Small Business Survey

As your Federal Member I am committed to ensuring a better deal for our local business community. Lately, I know many small businesses have been doing it tough – low consumer confidence and economic uncertainties are all major concerns. I receive a lot of feedback and suggestions through meetings, community functions and phone calls and your input does make a difference. By knowing your views and the issues impacting on your business, I can take these up on your behalf. I welcome your feedback and I am happy to hear from you at any time. My door is always open. You can be assured that I will continue to be a strong advocate for local small businesses. In order to keep in touch with the day-to-day issues affecting Forrest small businesses, I have begun a **Forrest Small Business Focus Visit Program** in which I can visit your business and discuss issues of concern to you.
